Daily Report Mailing List

Contents of attached Daily Report mailing list  
noted:

It is believed that our work could be considerably simplified if we could eliminate so many individual addresses, especially, where such addresses are within a Department, such as State, War, Navy, etc. Do you have any suggestions as to how we might approach this problem?

It is also suggested that this list be kept in such tabulated form as to present quickly and precisely to an outsider the extent and method of our distribution.
